

How dare the FCC allow ownership of media by a few powerful organizations.

This is NOT at all in the interest of the America people and freedom of speech, but more in the interest of BIG BUSINESS. What could possibly motivate the FCC to make such a decision without ANY regard for the diversity of free speech that is cultivated by alternative views???? I will fight this decision through appeals to my state senators. You have made a grave mistake....Have you forgotten who you work for????? THE AMERICAN PEOPLE!!!!!!!!!!!! TAXPAYERS WHO PAY YOUR SALARY....AND YOU TOTALLY IGNORE PUBLIC OPINION??? SHAME ON YOU!!!!!!

Sincerely,

Alan Spy
